

Les Charmeuses

The charm of our varietal wines is expressed by the name of «Les Charmeuses by Auguste Antonin».

VIOGNIER

Vin de Pays d'Oc

The Pays d'Oc offers an authentic richness thanks to its Mediterranean climate. This wine is made from 100% Viognier. There is a variety of different soil types, principally chalky with clay, limestone and basalt.

Skin maceration is carried out for 12 hours followed by a gentle pneumatic press. Static cold settling. The temperature of the alcoholic fermentation is controlled between 15°C and 17°C. Racking at the end of the fermentation and the malolactic fermentation is blocked to preserve freshness and fruit.

This Viognier has a very aromatic nose with notes of fresh flowers and yellow fruit such as apricot. An opulent wine with a nice balance.

Ideal as an accompaniment to poultry, meat pies, quiches and soufflés.

Best served chilled, 8-10°C.
